### SPACIOUS FAMILY HOME IN QUIET SETTING

Set quietly on a generous block in a private cul-de-sac and overlooking George Caley Reserve, this freshly updated four-bedroom home offers a rare combination of space, privacy, and everyday practicality. Inside, the layout is designed for both family living and entertaining, with a formal lounge and separate dining area at the front of the home, complemented by a light-filled kitchen, meals, and family zone at the rear. Large windows and sliding door access draw natural light into the kitchen and dining space, flowing seamlessly to a covered outdoor entertaining area and lawn area. Recent updates including fresh paint, restored roof finishes, landscaped gardens, and new laminated flooring in several areas give the home a clean & refreshed. The central kitchen offers good functionality and offers ample storage. All four bedrooms are well proportioned, including a main bedroom with walk-in robe and ensuite. Bedroom four includes a built-in robe, while additional linen cupboards and storage throughout the home add everyday convenience. The main bathroom includes a bathtub, with a separate toilet positioned for practical family use. Outside, privacy continues with a secluded driveway, side access, and a double garage. Security shutters across the entire home, including manual and automatic window shutters plus a security door
